Blessings to the Vicar, Members of the Managing Committee and other committees as well as the faithful of all the Churches of the Malankara Orthodox Syrian Church in Doha.

Dearly beloved,

It is a moment of great joy and unending praises that we are blessed to enter into a "New temple of God" to worship Him and enjoy His Company. We do congratulate you all for the very special package from above for us to enjoy and celebrate.

We are glad to know that a new website [www.mocdoha.org](http://www.mocdoha.org) is being launched for various aspects of the Parish to be promoted, projected, preserved and presented not only to the members but also to the outsiders irrespective of caste or creed.

May God Almighty bless you abundantly, through the internet so that the Good News will be widely spread, the fellowship be strengthened and deepened further and the isolated members shall also be incorporated.

With warm regards, best wishes and humble prayers

Your Shepherd in Christ,

Geevarghese Mar Coorilos,  
Metropolitan.
